- Pray for the partnership development visit Kevin, Phil and David are having with the **Karen people** in Thailand.
- Many people are currently involved in the development of the **08/09 Church Budget**. Praise God for His continued faithfulness in supplying our needs. Pray that we would embrace the future with faith and faithfulness.
- Pray for **96Five's** many off air ministries which are opportunities to share God's love and the Gospel. One is '**Cool Choices**' - an interactive program ministering to High School students. The Resurrection Impacts Today!

The resurrection of Jesus means that the present time is shot through with great significance. What is done to the glory of God in the present is genuinely building for God's future. Acts of justice and mercy, the creation of beauty and the celebration of truth, deeds of love and the creation of communities of kindness and forgiveness--these all matter, and they matter forever. Take away the resurrection, and these things are important for the present but irrelevant for the future and hence not all that important after all even now. Enfolded in this vocation to build now, with gold, silver, and precious stones, the things that will last into God's new age, is the vocation to holiness: to the fully human life, reflecting the image of God, that is made possible by Jesus' victory on the cross and that is energized by the Spirit of the risen Jesus present within communities and persons.
